

# TT and RTE\* Populations by Department and College

March, 2019

## Notation

UVR University Voting Rights

TT Tenure Track Faculty with UVR.

A TT number in **red** means that the unit is a 2-senator unit because TT is greater than 25.

RTE\* RTE Faculty with UVR.

An RTE\* number in **red** means that the unit is a 2-senator unit because it is the summation TT+RTE\* that is greater than 25.

RTE+ the group with titles research associate, lecturer, extension associate, assistant librarian, senior assistant librarian, assistant archivist, or senior assistant archivist.

## Accounting

The college totals are generally greater than the sum of the department totals because there are RTE faculty who belong to colleges but not departments. A college RTE\* number in **green** means that the college has two at-large RTE\*-only seats.

There are five departments/divisions that are shared by two colleges: EAS, EEB, MBG, NBB, Nutritional Science. These units are listed with the college of the lead dean. Note also that AEM is aligned with the JCB and not CALS. These situations may explain why the displayed numbers may differ from what you are accustomed to seeing.
